The Problem is solved.

In the case of worn and new trousers, owing to its practically invisible sew-up tapes, **Pesers Patent Knee - protection** has been tested, discussed and recommended in a million instances, which, in consequence of its peculiar construction, prevents the ugly bulging of the knee and provides at the same time a sharp crease. Sample order of 5 pairs, 5.- or 653 Dollars, or equivalent in other currency.
Pesers Knee-protection Braces P.K. are elegant and light, indispensable, most necessary for fine gentlemen's outfits. Free from rust, without metal, washable, supplied to match any colour of shirt. Spare parts in stock. Price for a sample dozen: 6 dollars or corresponding currency. Payment in advance. P. F. K. is registered in all cities. Dressmaker Bank, Frankfurt a. M.
